2017 MACAU FIA GT WORLD CUP

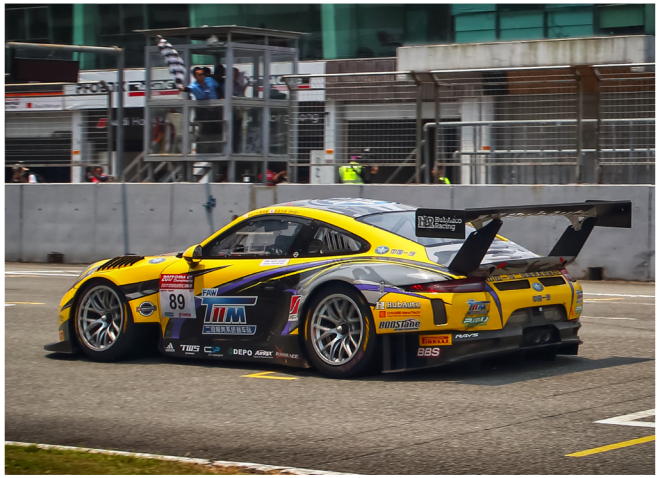
澳門格蘭披治大賽車(Grand Prix Macau），是在澳門市區內舉行的賽車街道賽，首屆賽事於1954年舉辦。沿途多彎，有上坡下坡路，亦有筆直寬闊的大直路，全長6.2公里，是世界最具有挑戰性的比賽之一。

HubAuto Racing今年派出兩部Porsche 911 GT3R(Type 991) 賽車參加第64屆澳門格蘭披治大賽。

三屆利曼24小時冠軍保時捷原廠車手羅曼杜馬斯將駕駛7號車；現役日本GT300車手吉本大樹將駕駛77號車代表HubAuto征戰本屆賽事。



The Grand Prix Macau is the street circuit racing in the city of Macau, where the first event was held in 1954. Due to the challenging nature of the circuit, which consists of fast straights, tight corners and uncompromising crash barriers, the Macau Grand Prix is famously known as one of the most demanding circuits in the world.

HubAuto Racing will enter two Porsche 911 GT3R (Type 991) race cars to the 64th Macau Grand Prix this year.

Three Leman 24-hour champion Porsche factory driver Roman Dumas will drive the No. 7 car; Active Japanese GT300 driver Hiroki Yoshimoto will drive the No. 77 car on behalf of HubAuto campaign this event.
